Regulations and Rules

- Our dancers walk in the hall/lobby with their dance shoes on. We request that everyone remove any wet or dirty street shoes to ensure that the dancer's shoes remain clean and in good condition.
- Only clean and indoor dance shoes may be worn in the studio classrooms.
- No food in the studio classrooms. Students may bring in water.
- Our dance school is unique in the city as we do have one-way glass panels for people to view classes. Please be respectful of all families and our instructors as you observe classes.
- Lights in the studio are to be managed by the dance school instructors only.
- We appreciate everyone keeping our lobby and hallway clean and tidy.

We are grateful for your registration for this dance season and thank you in advance for cooperating and following all the mandated regulations that will ensure our studio is run safely!

Respect in the Dance Classes

Dance students are to be respectful towards other dancers and their instructors. If a child behaves in an inappropriate manner a parent/caregiver may be called to pick their child up. If families have any concerns, please contact the studio through email or a phone message and Miss Kendra will speak with you at an appropriate time.

Lateness and Absenteeism

As a courtesy to all dancers, we request that students arrive on time to classes with their shoes on and ready to dance. The instructors appreciate a phone call or message if a student will be absent from class. Recital is a very important time of year for Dance In Style Studio. Please try to make sure your dancer attends as many classes as possible before recital. This will help make sure the dancers are prepared for our amazing show!

Cancelled Dance Classes

Dance classes may be cancelled due to weather conditions or hydro interruptions. Every effort will be made to let families know. Website and Facebook messages will be evident. A date for makeup classes will be determined by the studio staff.

Photo Release

Parents who prefer to NOT give permission for photography of their dancer and/or posting photos to social media should email the Studio.
